By providing a scholarship for a child in the ComputerCorps “Every Home A Classroom” Summer TechCamp Program, you can help your community by helping kids learn about computers. Students build and take home a 1+ Gigahertz Windows Computer System that includes a Monitor, Keyboard, Mouse, Speakers, CDROM, Internet Modem, and Software. You can select the student or let us choose someone who needs a scholarship.

ComputerCorps™ is a nationally recognized 501(c)(3) non-profit organization dedicated to providing access to computer technology and skills training for under-served families, while eliminating eWaste in our nations landfills.
